1.4. The Company reserves the right, at its sole discretion, acting reasonably and in accordance with applicable laws, regulations, internal policies and risk management procedures, to determine whether any person meets the eligibility criteria to qualify as an Eligible Participant, and may refuse or terminate participation in the Campaign at any time, without obligation to provide reasons.

1.5. Subject to these Terms & Conditions, an Eligible Participant may receive from the Company an Amount equal to up to one hundred percent (100%) of the real (i.e., not demo) funds deposited by the Eligible Participant into the Account, subject to the maximum limits set out herein.

1.6. The Company reserves the right to amend, update, suspend, or cancel the Campaign, in whole or in part, at any time, in accordance with these Terms & Conditions.

1.7. Eligible Participants shall be enrolled in the Campaign only upon taking an explicit opt-in action via the Dashboard, subject to continued compliance with these Terms & Conditions.

1.8. Participation in the Campaign does not confer any vested or continuing right to its availability, which remains at the sole discretion of the Company.

1.9. Nothing in these Terms & Conditions shall limit any negative balance protection or other regulatory protections applicable to retail clients under applicable law.

3. Risk Warnings

3.1. Trading in CFDs on margin carries a high level of risk and may not be suitable for all

investors. There is a possibility that Eligible Participants may sustain a loss equal to or greater than their entire investment.

3.2. Eligible Participants should not invest or risk funds that they cannot afford to lose. Before engaging in trading activities with the Company, Eligible Participants are strongly advised to carefully assess their investment objectives, level of experience, and risk tolerance, and to familiarise themselves with all risks associated with margin trading. If necessary, Eligible Participants should seek independent financial advice.

3.3. Eligible Participants are strongly advised to consult the Company's full Risk Disclosure Statement before using its services.

4. Eligibility and Entry

4.1. Subject to these Terms & Conditions, the Campaign is available to new and existing clients (only natural persons) of the Company, who:

4.1.1. Have been successfully onboarded as clients of the Company (to be determined in accordance with the Company's sole and absolute discretion, acting reasonably and in accordance with applicable laws, regulations, internal policies and risk management procedures).

4.1.2. Have opened an Account with the Company.

4.1.3. Have activated participation in the Campaign through the "Special Offers" section of the Dashboard.

4.1.4. Have funded the Account with real (i.e., not demo) funds.

4.1.5. Have fully agreed to the Terms & Conditions in their entirety.

4.2. Participation is available only to clients who have successfully completed any appropriateness assessments or other regulatory onboarding requirements under applicable law or the Company's policies.

4.3. Each person who has complied with the applicable provisions set out in Clauses 4.1 and 4.2 of these Terms & Conditions shall be considered an Eligible Participant for the purposes of the Campaign and shall, subject to these Terms & Conditions, be entitled to the Amount.

5. Availability of Amount

5.1. Once the Company is satisfied that the Eligible Participant has funded the Account with real (i.e., not demo) funds in accordance with these Terms & Conditions, the Eligible Participant will receive the Amount in such Account (for the avoidance of doubt, once received, the Amount will be displayed in the Eligible Participant's 'Credit' field, which is located in the Eligible Participant's Account on the Company's trading platform).

5.2. The Eligible Participant acknowledges and understands that the Amount provides additional free margin and increases the amount of funds available for trading (i.e., for opening new positions and maintaining margin requirements for such positions) and is not (and should not, at any time, be construed as being) part of the Account's and/or Accounts and/or other account(s) 'Balance'. In light of the above, the Eligible Participant acknowledges and understands that the

Amount cannot be used to cover, provide, or cater for, trading losses.

5.3. It is hereby clarified that the maximum total Amount (i.e., the aggregate total amount to be received by the Eligible Participant in respect of each participation in the Campaign) is, subject to the real (i.e., not demo) funds deposit(s) to be made by the Eligible Participant ¹ in the context of the Campaign, capped to five thousand United States Dollars (USD 5,000), and such Amount is not to (and should not, at any time) be treated as applying on a per Account and/or Accounts and/or account(s) basis, but only on a per Eligible Participant basis.

6. Participation and Re-entry

6.1. Participation in the Campaign shall continue during the applicable Campaign Participation Period, unless completed or terminated earlier in accordance with these Terms & Conditions.

6.2. Participation in the Campaign shall be deemed completed or terminated, as applicable, upon the occurrence of any of the following circumstances:

(A) the full conversion of the Amount from 'Credit' into 'Balance' in accordance with these Terms & Conditions;

(B) the expiry of the Campaign Participation Period without the full conversion of the Amount;

(C) the termination of participation in the Campaign pursuant to Clause 7.10 of these Terms & Conditions;

(D) the closure, suspension, termination, or deletion of the Eligible Participant's client profile, Account, or relationship with the Company in accordance with the Company's applicable terms and conditions; or

(E) the termination of participation in the Campaign by the Company in accordance with these Terms & Conditions.

6.3. An Eligible Participant may re-enter the Campaign via the Dashboard at any time following the termination or completion of a prior participation in the Campaign in the following circumstances:

(A) where the Amount has been fully converted from 'Credit' into 'Balance' in accordance with these Terms & Conditions;

(B) where participation in the Campaign has ended upon expiry of the Campaign Participation Period; or

(C) where participation in the Campaign has terminated pursuant to Clause 7.10 of these Terms & Conditions.

Any subsequent participation in the Campaign shall remain subject to these Terms & Conditions and the applicable eligibility requirements in force at the relevant time.

6.4. Any subsequent participation or re-entry into the Campaign shall not apply where the Eligible Participant's prior participation was terminated by the Company pursuant to Clause 8 of these Terms & Conditions.

6.5. Upon the closure, suspension, termination, or deletion of the Eligible Participant's client profile, Account, or relationship with the Company in accordance with the Company's applicable terms and conditions, any remaining Amount and/or 'Credit' shall be removed from the Eligible Participant's Account.

7. Trading Conditions

7.1. The Eligible Participant will only be allowed to trade the Amount within the Campaign Participation Period. In addition, it is hereby clarified that if the Eligible Participant does not trade the Amount within the Campaign Participation Period, such Amount (if not traded at all) or the remaining part thereof (if the Amount is traded partially) will be lost upon conclusion of the Campaign Participation Period, and any respective 'Credit' (if any) will also be lost upon conclusion of the Campaign Participation Period.

7.2. Further to Clause 7.1 of these Terms & Conditions, the Eligible Participant shall only be permitted to trade the Amount during the Campaign Participation Period applicable to the relevant participation in the Campaign, and the Eligible Participant acknowledges, understands, and agrees that the Amount or any remaining part thereof (as applicable) may be transferred from the 'Credit' field to the 'Balance' field of the Account only during such Campaign Participation Period (and prior to its conclusion), subject to the following limitations, reservations, and conditions:

(A) For each one million United States Dollars (USD 1,000,000) of Qualified Notional Trading Volume (as the term "Qualified Notional Trading Volume" is defined in Clause 7.3 of these Terms & Conditions) that the Eligible Participant trades (per trading session Saturday 00:00:00 - Friday 23:59:59 UTC), the amount of twenty-five United States Dollars (USD 25) will be transferred from the 'Credit' field to the 'Balance' field of the Eligible Participant's Account.

(B) For the purpose of facilitating Clause 7.2(A) of these Terms & Conditions, at the end of each week (end of trading session on Friday 23:59:59 UTC), the Company will calculate the Qualified Notional Trading Volume (in United States Dollars (i.e., USD)) and will arrange for the transfer of the relevant amount from the 'Credit' field to the 'Balance' field of the Eligible Participant's Account, while, in correlation with the above, the 'Credit' field's balance will be reduced accordingly.

7.3. The Qualified Notional Trading Volume will be calculated in accordance with the formula that is immediately presented in quotation marks below:

"Qualified Notional Trading Volume = instruments contract size * volume in lots * closed price * exchange rate * 2"

7.4. Only trading activity in instruments designated by the Company for the purposes of the Campaign shall be taken into account for the calculation of Qualified Notional Trading Volume. Such instruments may include Currency CFDs, Commodity CFDs, Index CFDs, and ETF CFDs.

Hedged positions shall not be taken into account for the calculation of Qualified Notional Trading Volume under the Campaign.

Qualified Notional Trading Volume shall be calculated from the moment the Amount is credited to the Account as 'Credit' and only while the Account holds a remaining Amount as 'Credit' under the Campaign.

7.5. The Eligible Participant acknowledges and understands that:

(A) Only those trades which will be opened after the Eligible Participant enters into the Campaign (but prior to the conclusion of the Campaign Participation Period), for at least one hundred eighty (180) consecutive seconds, will be considered valid and taken into account for the purpose of calculating the Qualified Notional Trading Volume.

(B) Further to Clause 7.5(A) of these Terms & Conditions, it is hereby specified that any trades to be opened during the Campaign Participation Period (but prior to the conclusion thereof) must be closed during the Campaign Participation Period (but prior to the conclusion thereof) in order to be considered valid and taken into account for the purpose of calculating the Qualified Notional Trading Volume.

7.6. For the avoidance of doubt, the Qualified Notional Trading Volume will be calculated on a per Account basis, and not aggregated in accordance to the turnover of the Accounts (in the event where the Eligible Participant holds and/or opens more than one (1) Account) and/or other account(s) that the Eligible Participant holds and/or might hold and/or opens and/or might open with the Company and/or any of the Admiral Entities.

7.7. If the currency of the Account is not denominated in United States Dollars (USD), the amount of funds to be transferred from the 'Credit' field to the 'Balance' field in the Company's trading platform (if any) will be converted based on the then applicable exchange rate that will be available in such platform (i.e., the Company's trading platform).

7.8. Funds deposited or transferred into the Account through external payment methods supported by the Company, from the Eligible Participant's 'Admirals' wallet(s), and/or from an Invest.MT5 Live account held by the Eligible Participant with the Company shall satisfy the deposit conditions for the purposes of the Campaign.

Any other internal transfer(s) to be effected from any of the Eligible Participant's Accounts (in the event where the Eligible Participant holds and/or opens more than one (1) Account) and/or account(s) that the Eligible Participant holds and/or might hold and/or opens and/or might open with the Company and/or any of the Admiral Entities, are not (and will not, any time, be) considered as satisfying the deposit conditions that the Eligible Participant will be obliged to abide by in accordance to these Terms & Conditions, and as such, will not be taken into consideration for the purpose of the Campaign.

7.9. Any withdrawal or transfer of the Eligible Participant's own funds from the Account shall not affect the participation in the Campaign, provided that the remaining balance in the Account following such withdrawal or transfer is equal to or greater than the Amount remaining as 'Credit'. Where, following a withdrawal or transfer, the remaining balance in the Account is lower than the Amount remaining as 'Credit' under the Campaign, the Amount and/or 'Credit' shall be removed from the Account.

7.10. Where the circumstances described in Clause 7.9 occur and such Account is the Eligible Participant's only live Account participating in the Campaign and the maximum Amount available under the Campaign has already been received, the Eligible Participant's participation in the Campaign shall be deemed terminated.

7.11. The Eligible Participant acknowledges and understands that the removal of the Amount and/or 'Credit' in accordance with these Terms & Conditions may affect the Account's and/or Accounts' (in the event where the Eligible Participant holds and/or opens more than one (1) Account)

and/or other account(s)' free margin, and this may, indicatively but not exhaustively, result in the automated closing of the Eligible Participant's open position(s).

7.12. The Eligible Participant acknowledges and understands that where a withdrawal or transfer of funds from the Account results in the removal of the Amount and/or 'Credit' in accordance with these Terms & Conditions, and such Amount and/or 'Credit' falls below the threshold required to maintain open position(s), any such position(s) may be closed automatically without prior notice to the Eligible Participant.

8. Specific Conditions

8.1. The Company may, in the event where it deems that an Eligible Participant or potential participant has, and/or may have, breached and/or violated these Terms & Conditions and/or the Company's terms and conditions (that govern the client relationship between the Company and the Eligible Participant and/or potential participant), policies and/or procedures and/or committed any fraudulent and/or abusive and/or manipulative actions, to proceed with either or all of the following actions, which actions, for the sake of clarity, are indicative and not exhaustive:

(A) Withhold and/or cancel and/or subtract the Amount and/or the 'Credit' and/or the 'Balance' and/or any part thereof, from the Eligible Participant's Account and/or Accounts and/or account(s) (as applicable).

(B) Terminate its relationship with the Eligible Participant with immediate effect.

(C) Block the Eligible Participant from accessing their Account and/or Accounts and/or other account(s).

8.2. In the event where the Company deems, in accordance with its sole and absolute discretion, acting reasonably and in accordance with applicable laws, regulations, internal policies and risk management procedures, that an Eligible Participant or potential participant has, and/or may have, acting on their own behalf or with others, opened and/or attempted to open trading position(s) whose purpose or effect is to extract the Amount and/or 'Credit' and/or 'Balance' generated by the Campaign without exposure to economic risk, including trading activity undertaken primarily for the purpose of extracting promotional credit without genuine market exposure, it (the Company) may proceed, without limitation to any other measures which it may deem appropriate, with any or all of the actions referred to in Clause 8.1(A)-(C) of these Terms & Conditions.

8.3. The Company will not be liable for any losses, such as, but not limited to, where the open positions and/or floating profit/loss in the Eligible Participant's account(s) (including, but not limited to, the Eligible Participant's Account and/or Accounts and/or account(s)) results in the Eligible Participant's removal from the Campaign.

9. Transitional Arrangements for Trade.MT4 and/or Zero.MT4 Accounts

9.1. Eligible Participants who, as at the Effective Date (as defined in Clause 13.4 of these Terms & Conditions), hold existing 'Credit' in connection with live "Trade.MT4" and/or live "Zero.MT4" accounts may continue, solely during the applicable Campaign Participation Period, to have such existing 'Credit' transferred from the 'Credit' field to the 'Balance' field based on Qualified Notional Trading Volume generated in accordance with these Terms & Conditions.

9.2. In any event, no new Amount and/or 'Credit' shall be granted in connection with deposits

made into live "Trade.MT4" and/or live "Zero.MT4" accounts after 15 June 2026. All other provisions of these Terms & Conditions shall continue to apply to such Eligible Participants and their accounts.

10. General Provisions

10.1. Participation and No Advice By accepting these Terms & Conditions, the Eligible Participant acknowledges that continued participation in the Campaign is entirely voluntary and constitutes their own independent decision. The Company does not, and will not, provide the Eligible Participant with any investment advice, trading recommendations, tax advice, or other financial guidance, whether or not related to the Campaign or any provision of these Terms & Conditions. Nothing in these Terms & Conditions shall exclude or limit any duty or liability that the Company may have under applicable law.

10.2. No Offer or Solicitation Nothing in these Terms & Conditions or in the Campaign shall be construed as a solicitation, recommendation, endorsement, or offer to buy or sell any financial instrument, nor as an incentive or inducement to engage in trading activity.

10.3. No Professional Advice The Campaign does not constitute, and shall not be construed as legal, tax, investment, financial, or other professional advice. Furthermore, nothing in the Campaign or these Terms & Conditions constitutes or shall be interpreted as a solicitation, recommendation, endorsement, or offer by the Company, any Affiliate, or any third party to buy or sell any financial instruments.

11. Risk, Liability, and Responsibilities

11.1. Participant's Responsibility and Acknowledgements. The Eligible Participant should obtain independent advice from a suitably licensed financial advisor and ensure that they possess the necessary risk tolerance, experience, and knowledge prior to accepting these Terms & Conditions or entering into any transactions pursuant to them. The Eligible Participant further acknowledges and understands that past performance is neither a reliable indicator nor guarantee of future results or returns.

11.2. Limitation of Liability. To the maximum extent permitted by law, the Company excludes all liability whether arising in tort (including without limitation negligence), contract or otherwise, for any personal injury or any other loss or damage (including without limitation loss of opportunity or loss of profits) whether direct, indirect, incidental, special or consequential, arising in any way out of the Campaign.

The Eligible Participant agrees, at all times, to indemnify and hold harmless the Company, its Affiliates, and their officers, employees, agents and contractors ("those indemnified") from and against any losses (including reasonable legal costs) or liability incurred or suffered by any of those indemnified to the extent that such loss or liability is caused by the Eligible Participant and/or any persons acting under their control and/or direction and/or instructions and/or authority.

Nothing in these Terms & Conditions excludes liability which cannot be excluded under applicable law.

11.3. Participants' Trading Responsibilities. The Eligible Participant understands and agrees that the Company shall not be responsible or liable for any losses, liabilities, or commitments arising in connection with these Terms & Conditions, including any cancelled, paused, or blocked orders,

trades, deals, or positions. The Eligible Participant is solely responsible for monitoring their trading accounts, including profit and loss (realised and unrealised), account performance, and position management, and for taking any actions required in relation to the placement, execution, or closure of orders, trades, or positions. The Company does not accept any liability for damage, loss, injury, or disappointment suffered by any Eligible Participant as a result of participating in the Campaign. The Company will, however, act in good faith to correct any errors in the application of the Campaign. No failure by the Company to enforce any provision of these Terms & Conditions shall constitute a waiver of its rights.

The Campaign is intended solely to provide additional trading margin and is not designed to encourage excessive trading activity. Participants should trade only where appropriate to their investment objectives, financial circumstances and risk tolerance.

11.4. Force Majeure. The Company, its Affiliates, or any third parties engaged by the Company shall not be liable for any delay in performance or failure to perform any obligation under these Terms & Conditions where such delay or failure results from events or circumstances beyond their reasonable control. Where practicable, the Company will notify Eligible Participants promptly of any significant technical failures or force majeure events materially affecting the Campaign or trading platforms.

11.5. Technical Failures. The Company, its Affiliates, and any third parties engaged by the Company shall not be liable for any technical malfunctions or failures of telephone networks or lines, computer systems, servers, service providers, equipment, or software, nor for the failure of any email or data transmission to be received due to technical problems or internet traffic congestion. This includes, without limitation, any injury or damage to the Participant's or to any other person's computer, mobile device, or related equipment arising from or related to participation or attempted participation in the Campaign.

12. Administration and Operation of the Campaign

12.1. Participant Obligations and Accuracy of Information The Eligible Participant acknowledges and agrees that other Admiral Entities may, from time to time, offer campaigns that are the same as or similar to the Campaign. The Eligible Participant shall not participate, attempt to participate, or apply for participation in any such campaigns offered by any Admiral Entity.

The Eligible Participant acknowledges and agrees that they are solely responsible for reviewing the status of their transactions, orders, available funds, and any applicable limitations, restrictions, conditions, or specifications under these Terms & Conditions. The Company shall have no obligation to, and as such, will not, review, advise, or notify the Eligible Participant regarding any of the foregoing. Moreover, the Company will rely on, and the Eligible Participant warrants, that all information, details, and instructions provided by the Eligible Participant are accurate, complete, and not misleading in any material respect. By participating in the Campaign, the Eligible Participant confirms that they have full legal capacity and authority to enter into these Terms & Conditions.

12.2. Continuing Obligations. The Eligible Participant acknowledges and agrees that cancellation or termination of these Terms & Conditions shall not release the Eligible Participant from any liabilities, commitments, or obligations incurred prior to, during, or after the Campaign, to the extent arising from participation in the Campaign or any related transactions.

12.3. Supplementary Terms. These Terms & Conditions are supplemental to, and shall be read

in conjunction with, the Company's applicable disclosure documents, policies, and general terms and conditions governing the client relationship between the Company and the Eligible Participant.

12.4. Changes to the Campaign. The Company reserves the right to cancel, suspend, modify, or amend the Campaign and/or these Terms & Conditions at any time, without prior notice. Where feasible, advance notice will be provided via the Company's website, otherwise, such changes will be communicated as soon as practicable. All notices, amendments, or communications regarding changes to the Campaign will be deemed effective upon publication on the Company's website. Under no circumstances shall the Company be liable for any consequences of any alteration, amendment, suspension, cancellation or termination of the Campaign and/or the Terms & Conditions.

12.5. Data Processing. By participating in the Campaign, the Eligible Participant expressly consents to the collection and processing of their personal data by the Company for regulatory compliance, fraud prevention, and service improvement purposes, in addition to Campaign administration. Such data may be processed using both automated and non-automated means, in accordance with the Company's Privacy Policy and applicable data protection laws.

13. Contractual Status and Legal Effect

13.1. Participant Acknowledgement. By participating in the Campaign, the Eligible Participant confirms that they have read, understood, and agreed to be bound by these Terms & Conditions, the Company's client agreement, and all other applicable terms, conditions, and policies governing the services provided by the Company.

13.2. Governing Language. If these Terms & Conditions are translated into any language other than English, the English version shall prevail in the event of any conflict or inconsistency and shall be the authoritative version for the purposes of interpretation and enforcement.

13.3. Severability. If any provision of these Terms & Conditions is found to be invalid, unlawful, or unenforceable by a competent court or authority, the remaining provisions shall remain valid to the fullest extent permitted by law.

13.4. Entire Agreement and Effective Date. These Terms & Conditions constitute the entire agreement between the Company and the Eligible Participant with respect to the Campaign, and supersede any prior communications or representations relating to it.

These Terms & Conditions supersede all prior versions relating to the "100% Welcome Bonus Promotion" Campaign and shall enter into force on 15 June 2026 (the "**Effective Date**").

Existing participants in the "100% Welcome Bonus Promotion" Campaign shall be migrated to these Terms & Conditions following at least seven (7) calendar days' prior notice provided by the Company through the Company's website, Dashboard and/or email, subject to applicable law. From the Effective Date, these Terms & Conditions shall apply to all existing and future participants in the Campaign.

13.5. Order of Precedence. In the event of any inconsistency between these Terms & Conditions and any other Company document, the order of precedence shall be: (i) mandatory legal obligations; (ii) the Company's general client agreement; and (iii) these Terms & Conditions.

14. Governing Law, Dispute Resolution, and Jurisdiction

14.1. Governing Law. These Terms & Conditions shall be governed by, and construed in accordance with, the laws of the Republic of Seychelles.

14.2. Dispute Resolution and Jurisdiction. Any disputes arising from or in connection with these Terms & Conditions shall be handled in accordance with the Company's Complaints Policy. If the dispute remains unresolved following completion of the Company's internal complaints process, the Eligible Participant may refer the matter to the courts of the Republic of Seychelles or pursue any other dispute resolution mechanism available under applicable law. The courts of the Republic of Seychelles shall have exclusive jurisdiction over any such dispute. This jurisdiction clause shall not limit the Eligible Participant's right to lodge a complaint with any competent regulatory authority where applicable.
